Representative Aaron Bernstine
Room 5 East Wing
PO Box 202010
Harrisburg PA 17120-2010

Dear Representative Bernstine:

As Solicitor for Western Butler County Authority "WBCA", a sewer authority comprised of Zelienople Borough, Harmony Borough, Jackson Township and Lancaster Township, I have been requested to write in support of your bill which will give customers a choice of their electric supplier.

Currently WBCA has to buy their electric from Zelienople Borough having no choice in purchasing its power from a less expensive supplier.

The members of the Board believe it prudent for public hearings to be held before changing rates, and concur with the other contents of your bill.

Should you wish to contact WBCA, the manager's name is Autumn Heckathorn who can be reached at 724-452-5501 or I can be reached at the above number and address.

Yours truly,

Darla J. Hancher
Solicitor
